

Year	Vol	N	Authors	Title
1995	1	1	V.E. Sokolov, Z.G. Zalibekov	About journal "Arid ecosystems"
1995	1	1	Z.G. Zalibekov	On the main trends of research and organization of scientific work on the problem of combat against desertification
1995	1	1	V.M. Neronov	Biodiversity of desert ecosystems (proposals for the International program of scientific studies)
1995	1	1	Olga A. Lachko, Oleg A. Lachko	Phytoecological conceptions and principles in the combat against desertification
1995	1	1	V.S. Zaietaev	Irrigational desertification and environmental destabilization as elements of ecological influence of irrigation in arid zones
1995	1	1	E.S. Pavlovskiy, V.I. Petrov	Problems of agrobiological development of desert lands in Pricaspyi
1995	1	1	B.V. Vinogradov, AN. Kapstov, K.N. Kulik	Prognosis of Kalmykiya Black Lands broken sands dynamics according to the instructing succession of aerocosmic photographs
1995	1	1	V.M. Kharchenko, Z.M. Sankueva, S.V. Veselova, M.N. Shipitsin, G.O. Suslyakova, V.P. Rojentsev	Desertification processes in Kalmykiya in conditions of the changing Caspian sea regime
1995	1	1	B.N. Mozhaev	The Earth crust resent influence on desertification processes (by remote sensing data)
1995	1	1	V.P. Zvolinskyi, B.A. Zimovets, Y.V. Petruk	Scientific maintenance of Pricaspisky Regions : arid agriculture and tasks for future
1995	1	1	L.N. Tashninova, A.P. Bogun	Kalmykiya Red Book of soils and ecosystems
1995	1	1	G.G. Gamzatov, N.I. Reznikov, G.N. Gasanov	Coordinating Conference on the Problem of the Struggle Against Desertification in Southern Russia. Resolution of Conference. Makhachkala, 16-17, March 1994 Speechers of Conference participants.
1995	1	1	V.S. Zaletaev	Great World Forum of Ecologists — VI International Congress of Ecology and Symposium "Ecology of Arid Lands" Manchester, 21-26 August 1994
1995	1	1		Congratulations for doctor George B. Popov on the events of award by Lawrence Medal
1996	2	4	Yu. P. Seliverstov, K. V. Chistyakov	Whether the inner Asia desiccates?
1996	2	4	S. V. Viktorov	Usturt desertification
1996	2	4	P. D. Gunin, O. A. Klimanova, L M. Miktyaeva	Specificity of geoecological monitoring of natural and natural-anthropogenic ecosystems of the Eastern Asian sector of steppes: the case of Eastern Mongolia
1996	2	4	B. V. Vinogradov	Study of indicators for monitoring the desertification in the South Russia
1996	2	4	N. M. Novikova	Plants-indicators of the shallow ground waters in the Sahara-Gobi desert region
1996	2	4	A. G. Babaev, V. S. Zaietaev	On the problem of ecological estimation of irrigational agriculture impact on the environment
1996	2	4	L. H. Bitkaeva, V. A. Nikolaev	Natural and anthropogenic evolution of the landscapes in the Tersko-Kumskaya lowland
1996	2	4	S. Y. Terekhin	Methodological approaches for theoretical ecology and practical results of its application in working out of the new methods for reconstruction of degraded arid ecosystems
1996	2	4	D. R Kromm, S. E. White	Changing patterns of irrigation in the American high plains
1996	2	4	Sh. A. Abramov, E. S. Magomedova, E. Yu. Sultanova, G. G. Magomedov	Barchan Saricum and the technological peculiaritu of the vine

1996	2	4	Г. В. Крылова, С. М. Klimaszewski	The group organization siphonaptera of <i>Menones lybicus</i> Licht. in natural plaquefocus transcaucasian plain semimountain region
1996	2	4	G. V. Lindeman, I. N. Olovjannicova, M. K. Sapanov, N. G. Senkevich, M. L. Sizemskaja	Ecological evaluation of the results of afforestation in semidesert and modern approaches to creation of agroforest landscapes
1996	2	4		85-th" anniversary of Sergey Vasilievich Viktorov
1996	2	4	S. V. Viktorov	From swamps to the deserts (conception of indication in Russia)
1996	2	4	N. M. Novikova	New edition of glossary. The book under review I. S. Zonn "Desertification glossary" (second edition). Russian edition of foreign scientific works collection Review of the book "Drought follows the plow: cultivating marginal areas" (Translation from English) Editor M. G. Glantz. Russian editor I. S. Zonn. Moscow: Interdialect, 1996, 195 p.
1996	2	4	N. M. Novikova, V. S. Zaietaev	
1996	2	2-3	K. M. Petrov	The mechanism of arid ecosystems stability
1996	2	2-3	Z. G. Zaiibekov	New aspects of the problem of desertification limiting in the regions of the Caspian Lowland
1996	2	2-3	V. S. Zaletaev	Role of Ecotones in Formation of Biodiversity in Arid Zones
1996	2	2-3	A. A. Tishkov	Global climate changes and degradation of stepped ecosystems in the European Russia
1996	2	2-3	I. V. Springuel	Environment and producers in wadi Allaqi ecosystems
1996	2	2-3	E. V. Glushko, A. V. Ptichnikov, G. A. Kapustin	Geoinformation system as the basis of space monitoring of the ecological disaster zone in the Aral Sea region
1996	2	2-3	P. D. Gunin, E. A. Vostokova	Project of ecological atlas of arid territories in Russia, Kazakhstan, Central and Middle Asia
1996	2	2-3	G. I. Rjchagov	Ecological aspects of the Caspian Sea level destability
1996	2	2-3	L. I. Elpiner	Environmental medical aspects of Caspian problem
1996	2	2-3	N. N. Alexeeva, E. V. Glushko, E. U.	Age of landscapes of arid regions of Asia
1996	2	2-3	E. V. Zavialov, G. V. ShUahtin	Destabilization of environment under conditions of heavy anthropogenic impact on semiarid territories of the Low Povolgi
1996	2	2-3	B. V. Vinogradov, N. F. Glazovskiy, E. B. Gabimshina	Plan of action in combat desertification in Kalmykia
1996	2	2-3	V. V. Alekseev, K. V. Chckarev	Obtaining of fresh water out of humid air
1996	2	2-3	A. V. Salmanov	Biogeochemical characteristics of a soil cover of arid ecosystems in Lowland Daghestan in connection with the Caspian Sea level rise
1996	2	2-3	E. L. Pankova, Zh. V. Kuzmina, S. R. Treshkin	The Nature of the Southern Gobi oases as related to reclamation of the Tugai vegetation
1996	2	2-3	E. G. Myalo, O. V. Levit	The present status and the tendencies of the development of the vegetative cover of Chemye Zemli
1996	2	2-3	T. V. Krylova	Demographic changes in the population of the Redtailed Gerbil <i>Meriones Libycus</i> (Rodentia) in the arid ecosystems in Azerbaijan
1996	2	2-3	A. G. Nastinova	Use of infrared spectroscopy for the analysis of arid ecosystems soil conditions
1996	2	2-3	S. V. Zonn	Long and difficult way in science

1996	2	2-3	M N. Zlantz, L S. Zonn	The scientific, environmental and political issues in the Circum-Caspian region
1996	2	2-3	A. B. Gabunshina	About international cooperation in ecology
1996	2	2-3	Z. G. Zalibekov, E. M-R. Mirzoev	About the results of summary section "Problems of arid ecosystems studying and combat against desertification" Scientific Council of Biology Department Russian Academy of Sciences
1996	2	2-3		Resolution of All-Russian meeting devoted to the results of work done by section "Problems of arid ecosystems study and combat against desertification" during the period of 1994-1995 years. Kalmikia Republic, Elista 13-15 November 1995
1996	2	2-3	M. A. Balamirzoev	Well-Timed Monograph. Z. G. Zaiibekov. Methods of ecological analysis of soil cover in Daghestan. Pricaspian institute of bioresources DSC RAS, 1995, 144 p. <sup>k</sup>
1997	3	5	Z. G. Zalibekov	To the biological concept of desertification problem
1997	3	5	Я. V. Glushko	Remote sensing of the palaeoecological research in the deserts
1997	3	5	N. Gorohova, E. L Pankova	Method of distant control over the state of irrigation lands on the South of Russia
1997	3	5	E. M-R. Mirzoev, M. A. Balamirzoev, N. G.	On the rational use and protection of soils in arid ecosystems under desertification conditions
1997	3	5	R. Z. Usmanov, M. E. Kotenko, S. B. Batirov	Scale of technogenic impact on soil and vegetation cover of the Terek-Kuma interfluve
1997	3	5	O. K. Rychko	On water content determination of arid agroecosystems
1997	3	5	A. A. Svitoch	Paragenetic associations of marine and aeolian deposits of arid regions
1997	3	5	W. A. Geyer, T. Neppi, K. Brooks	Riparian vegetation and channel position effects on streambank stability during a 500-year flood event
1997	3	5	V. A. Bananova	Agricultural use dynamics of natural-territorial complexes in semiarid zone of the South-East European Russia
1997	3	5	O. A. Lachko, G. O. Suslyakova	Bioecological essence of pasture digression in Kalmykia
1997	3	5	V. V. Neronov	History of mass settling and phytocoenology of <i>Stipa capillata</i> in Kalmikia
1997	3	5	A. L. Adzieva, M. A. Magomedova	Reproduction of <i>Astragalus lehmannianus</i> at barkhan Sarikum
1997	3	5	Z. V. Kouzmina	Conservation of genetic diversity of the flora in of South-West Turkmenistan
1997	3	5	S. N. Lekomtseva, V. T. Volkova, M. N. Chaika	Influence of temperature and humidity on population structure of <i>Puccinia graminis</i> pers. F. Sp. Tnticim Volga Region
1997	3	5	N/ V. Lebedeva, I. V. Kusikov, Sh. Boldbator, L I. Shuktomova	Birds and mammals of Mongolia in bioindication of anthropogenic pollution
1997	3	5		Professor Amin Bakhiev is 60 years old
1997	3	5	N. I. Rudnev, A. V. Prishopa	About participation of Russian Delegation in the "International Conference on Temperate Grasslands for the 21 st Century" Beijing 6 -10 July 1996
1997	3	5	V. S. Zaletaev, N. M. Novikova	New monograph. Review of the book by Z. Sh. Shamsutdinov. Biological reclamation of degraded agriculture lands (case study of arid areas)- Moscow: TOO "Korkie", 1996.- 172 pages.
1997	3	6-7	I. S. Zonn	UN Conference in Nairobi: desertification problem - 20 years later
1997	3	6-7	H. G. Kharin	International convention to combat desertification - a new hope of peoples suffered from ecological disaster

1997	3	6-7	V. S. Zaietaev	Desertification as factor of ecological desfacilization of natural environment and its ecological essence
1997	3	6-7	K. M. Petrov	Lands melioration on the basis of mechanisms of natural stabilization of semiarid landscapes
1997	3	6-7	E.A. Vostokova, P. D. Gunin, A, V. Prishchepa	The landscape of Ksilingolskii biosphere reserve in China
1997	3	6-7	L. D. Kortunova, E. V. Gtushko, S. M. Malkhazova, A M Aikimbaev	Application of space monitoring in exploration of plague distribution in Middle Asian desert foci
1997	3	6-7	M. A. Berezutsky	The species tolerance of the flora vascular plants of the Saratov vicinity to the urban environment
1997	3	6-7	G. V. Shliachktin, V. G. Tabachishin, E. V. Zavyalov	Adaptation despecialization of populations of steppe runner ( <i>Eremias arguta Pallas, 1773</i> ) on semiarid territories of Low Povolzhye
1997	3	6-7	V. A. Nikolaev	Socio-natural history of Asian steppes (from Ural to Altai)
1997	3	6-7	B. P. Gradusov, A V, Khabarov	Experience of determination of soil-geochemical stability to heavy metals and radionuclids pollution in Russia and mapping of lands
1997	3	6-7	N. P. Tarasova, v. U. Balitskiy	Criteria for transformation processes sustainability for
1997	3	6-7	T.V. Dikareva	Desertification of the valley complexes of the rivers Tedgen and Murgab
1997	3	6-7	G. N. Ogureeva	Structure and dynamic of a vegetation cover of high mountain ecosystems of the Mongolian Altai
1997	3	6-7	D. A. Krivolutskiy, R. E. Koshanova	Soil fauna of irrigated lands in the southern desert
1997	3	6-7	V. V. Neronov	Landscape features of century changes in wetting of south-eastern Turkmenistan
1997	3	6-7	Well-known desert explorer Nikolay G. Kharin is 70 years	
1997	3	6-7	N. G. Charin	My path to desert
1997	3	6-7	Valery M. Neronov 60 <sup>th</sup> Anniversary	
1997	3	6-7	N. T. Nechaeva	90th Anniversary of Michail P. Petrov (1906-1978). In memory of friend
1997	3	6-7	S. V. Viktorov	Nikolay N. Pelt
1997	3	6-7	N. N. Alexeeva, V. S. Zaletaev	International Reseach projects on drylands in the EC countries
1997	3	6-7	P. Goriup, M. S. Soldatov	The Pan-European biological and landscape diversity strategy
1997	3	6-7	A.A. Chibilev	Key problems of steppe studies and rational nature use in steppe zone Lecture at the International Symposium "Eurasian Steppes: preservation of biodiversity and monitoring of ecosystems state", Orenburg, May 19-23, 1997.
1997	3	6-7	P. D. Gunin	Timely monograph. The book by Ye. I. Pankova et others "Natural and human-induced salinization of soils in the Aral Sea basin (geography, genesis, evolution)", 1996. 186 pages (in Russian, Contents and Abstract - in English)
1998	4	8	P.D. Gunin, M. Saandar	The principals of conservation ecosystems in the landscape under the extreme conditions (on example of Mongolia)

1998	4	8	N. G. Kharin, Ryutaro Tateisbi, L G. Gringo	Use of NOAA avhrr data for assessment of precipitation and land degradation in central asia
1998	4	8	E. G. KolomytZf N. A. Swova	Olysystem organization of geographical space in the boreal ecotone of the russian plain
1998	4	8	V. L Danilov	About relic flora and rare steppe phytocoenoses in forest-steppe and forest zone of middle-russian hills
1998	4	8	P. Singh, N. V. Penkova, V. S. Zaictaev, N. M. Novikova	Identification of the hydrological parameters within ecosystems of dry regions
1998	4	8	N. V. Tupikova, A. A. Varshavsky, L. A. Khiiap	Population of rodents and haymakers on the south of the former ussr: mapping and cis
1998	4	8	U. C. Tebleeva	Ecological principles of functional organization of central asian desertified-steppe provinces.
1998	4	8	E. V. Zavyalov, G. V. Sbliacbktn, V. G. Tabachishin, A. V. Lobanov	Character of changes of exterior qualities of a tree sparrow passer montanus (passeriformes) of saratov region and neighbouring semiarid territories within a type
1998	4	8	E. L Shwubor, A. N. Gennadiev, Yu. I. Pikovsky	A map of the conditions of accumulation, transformation and migration of organic pollutants in the nizhnee povolgje soils
1998	4	8	G. S. Malysheva, P. D. Malakhovsk	Shrub steppes of saratov zavolgje
1998	4	8	V. A. Nidvlin, K G. Raikhman, G, M Borlikov	Geographical and ecological features oncological diseases in kalmykia
1998	4	8	E. L Golubeva, M. B. Shadrina	The use of space images for the determination of the condition andproductivity of pasturelands
1998	4	8	T. Zakarin, Tsukatam Tsuneo	Information system of the syrdaria river basin
1998	4	8	N. J. Klukin	Ability of dr. J.r. mittleider's method of grow-bed gardening for vegetable raising in arid and subarid conditions
1998	4	8	L. A. Shamsuvalicva	Structural peculiarities of fruits of clycyrrhiza l.and meristotropis fisch. Et mey. Species in connection with plant taxonomy
1998	4	8		Nadejda Ibragimovna akjigitova is 70 reymov
1998	4	8		Respergen reymovich is 70
1998	4	8	N. G. Minashma	In memory of of virginia gareginovna agababyan (1913-1985)
1998	4	8		The new dissertations from Russia and the countries former of the soviet union
1998	4	8		Vladimir s. Zaletaev is gone (february 12, 1929-oktober 22, 1998)
1998	4	9	Z.G. Zaiibekov	Importance of desertification maps for preservation of biological diversity
1998	4	9	D.A. Krivolutsky, V.E. Sokolov	The radionuclide and microelement concentrations in biota components of arid landscape of Australia
1998	4	9	E.V. Glushko, P.D. Gumn, O.A. Klimanova	Geoecological space monitoring of unirrigated agriculture regions in Mongolia
1998	4	9	N.I. Bobrovskaja	Water relations of plants of centralasian steppes and deserts. (Features of similarity and difference)
1998	4	9	S.I. Isaev. S.A. Shilova	Biotopical distribution and population numbers of meriones meridianus and M.Tamariscmus in the Chernye Zemli (Kalmykia)
1998	4	9	T.I. Matysheva, G.S. Kust	Salinity state of primitive soils of dried bottom of the Aral sea
1998	4	9	A.M. Adjiev, E.M. Mirzoev, MA. BaJaMirzoev, A.K. Saidov, G.N. Gasanov	Agroecological programme "Barkhan" for struggle against desertification of the west Caspian lands
1998	4	9	R.Z. Usmanov, M.Y. Kotenko	Stress situations in ecology of Caspian lowland pastures caused by strengthening of technogenic
1998	4	9	A.I. Adzieva	The spatial and temporary dynamics of the parts of the steppe phytocoenoses of the Barkhan Sarikum

1998	4	9	I.V. Stebaev, V.V. Molodtsov, V.E. Kolpakov	Ecoton structure of entomocenoses of crioarid territories along the south edge of Altai and Sayan mountains in isoplethic interpretation
1998	4	9	Sh.A. Abmmov, O.K. Vlasova, T.L. Daudova, DA. Abdullabekova	Amino acids of grape in the ecological system of the Sarikym barkhan
1998	4	9	S. V. Zonn, V.S. Zaietaev, Sh.Sh. Gasanov	<i>Dmitry A. Lilienberg (the 70 — th anniversary of birth)</i>
1998	4	9		Olga A. Lachko — on the occasion of the 60—th jubilee and 3 years of scientific and pedagogical activities
1998	4	9		International cooperation in studying biological resources of arid territories
1998	4	9	Z.G. Zaiibekov, I.S. Zonn	Journal of arid ecosystems" circuit session of the editorial board
1999	5	10	V.S. Mikheev, A.T. Naprasnikov	Aridization in the continental regions of East Siberia
1999	5	10	N.G. Kharin	Population growth and land degradation in China
1999	5	10	A.A. Chibilev	A strategy for conservation of biological diversity in the Russia-Kazakhstan border region
1999	5	10	N.V. Lebedeva, V.Ye. Sokolov	Microelements in birds and mammals of Ethiopia
1999	5	10	V.Ye. Chub, G.N. Trofimov	Paleoclimates of Central Asia in the late pleistocene and holocene periods
1999	5	10	N.V. Stasyuk, E.P. Bykova, Yu.A. Buivolov	Soil salinization and composition of phytocenoses in the Terek delta
1999	5	10	Z.U. Casanova, R.M. Zagidova	Dynamic qualities of light-chestnut soils in elementary soil areals of the Terek-Kuma lowland
1999	5	10	K.N. Kulik, V.I. Petrov	Ancient centres of deflation in Chernye Zemh and possibilities of their phytomelioration
1999	5	10	O. A. Zaichenko, F. I. Khakimzianova	Features, and restoration rates of deposit vegetation in steps of South-Minusinskaya depression
1999	5	10	N.A. Gazaliev	The role of ecological functions of microarthropods in formation of humus in ecological systems of arid soils of the Caspian Lowland
1999	5	10		«Conservation of biodiversity in arid regions of Russia» Resolution of the International Scientific Conference (The resolution is discussed and approved at the final session of the conference. Volgograd, 14 September 1998)
1999	5	10	P.M.-5. Muratchaeva, G.M. Mokhov, M.Ye. Kotenko	«Science in Dagestan: achievements and current problems of development» International scientific conference on occasion of the 275-th anniversary of Russian Academy of Sciences and the 50-th anniversary of the Dagestan Research Centre.
1999	5	10		Boris Veniaminovich Vinogradov
2000	6	11-12	L.Ya. Kurochkina	To the cherished memory of N.T. Nechaeva
2000	6	11-12	Z.Sh. Shamsitdinov, N.Z. Shamsutdinov	Scientific heritage of N.T. Nechaeva and Development of scientific Principles for pasture management
2000	6	11-12	V.V. Neronov	Contribution of N.T. Nechaeva to the theory and practice of rational employment of arid pastures
2000	6	11-12	N.G. Kharin	N.T. Nechaeva's critical contribution to working out indicators and criteria of desertification
2000	6	11-12	N.I. Bobrovskaya, T.I. Kazantseva, A.I. Pashchenko, V.V. Tishchenko	Revegetation of meadow steppe in the Central Chernozem zone
2000	6	11-12	G.S. Matysheva, P.D. Malakhovsky	Types of steppe in the Middle Volga region
2000	6	11-12	L.P. Parshutina	Types and actual state of steppe in the Rostov oblast

2000	6	11-12	B.D. Abaturrov	The effect of fodder quality on food supply and population of phytophagous mammals
2000	6	11-12	D.V. Sevastyanov	Moistening fluctuations and development of lymnosystems in the Gobi Lake Valley (Mongolia)
2000	6	11-12	A.I. Klimentyev, V.Ye. Tikhonov	Optimisation of agrosystems based on the analysis of the landscape-erosive situation in the main water catchment areas
2000	6	11-12	Ye.V. Vilkov	Formation of the lagoon ornitocomplex in the arid parts of the Caspian coast in Dagestan
2000	6	11-12	AM. Adjiev, LA. Kontaev, DA. Adgjieva	Ecological conditions for development of the agro-industrial complex in Republic of Dagestan
2000	6	11-12		International conference on soil degradation and desertification (Moscow, 11-15 November, 1999)
2000	6	11-12		Timely monograph. Review of the book by Nikolai Kharin, Ryutaro Tateishi, Hussein Harahsheh. Degradation of the drylands of Asia. Center for Environmental Remote Sensing. Chiba University, Japan, 1999. 81p.
2001	7	14-15	V.N. Bolshakov	Population dynamics of rodents on technogenic territories
2001	7	14-15	A.N. Sapugin. K.N. Kulik	Modelling, prognosis and optimal management in the ecology of soil and vegetative cover of Kalmykia
2001	7	14-15	L. Orlovskaya, A. Kornieli	The effect of biogenic crusts on spectral reflection of landscapes along the Negev — Sinai border
2001	7	14-15	G.M. Borlikov, V.F. Shmatkin, VA. Bananova	Soil—meliorative assessment of ecosystems in the north—east parts of the Caspian coast
2001	7	14-15	M.—R.D. Magomedov, R.A. Murtazaliev	Pasture influence on productivity and vegetation structure of Tersko — Kumskaya lowland pasturing ecosystem
2001	7	14-15	O.S. Oparina, M.L. Oparin	Spatial and ecological structure of the bustard population in the Saratov-trans — Volga region
2001	7	14-15	M.G. Sergeyeв	Biological diversity and associations of orthopteroid insects in the mountains of the Middle and Central Asia
2001	7	14-15	Zhou Lizhi, Ma Yong and Ye Xiaodi	Rodent species richness in relation to environmental factors in the arid regions of China
2001	7	14-15	Ye.V. Vilkov	The fauna, population and ecology of cranes in arid conditions of Daghestan
2001	7	14-15	Dai kun, Yao Juri, HuDefu, Zhong Wenqin	Effects of predation risk on microhabitat choice of two desert rodents 89 ( <i>Meriones meridianus</i> and <i>Dipus sagitta</i> ) in Dzungarian Basin, Xinjiang
2001	7	14-15	Ye Xiaodi, Wan Ziming, Bai Yanxia, Zhou Lizhi, Nick Fox	Saker falcon ( <i>Falco Cherrug</i> ) resources and its sustainable utilization
2001	7	14-15	N.M. Okulova, V.I. Mashtakova, G.A. Medzykhovskiy, A.K. Grazhdanov	The multiyear dynamics of the little ground — squirrel population in the West Kazakhstan
2001	7	14-15	Z.G. Zaiibekov, S.V. Zonn	The national programme to combat desertification in the Republic of Daghestan
2001	7	14-15	A.I. Kuzmichev, AN. Krasnova	Sketches on the origin of the Central Asian part of the reed mace areal ( <i>Typha elephantine Roxb.S.L</i> )
2001	7	14-15	A.N. Barmin	Supreme syntaxons of the <i>Neno—Tamaricetea Br.—Bl. et Bolys 1957</i> class on the former USSR territory
2001	7	14-15	Ye.A. Vostokova	A Valuable Contribution to Biogeography and Ecology. A.G. Voronov, N.N. Drozdov, D.A. Krivolutsky, Ye.G. Myalo "Biogeography and Foundations of Ecology", Moscow State University
2001	7	14-15		Tatyana Saiko

2001	7	14-15	Walter Woohrer	The Workgroup of National Coordinators on Development of the 151 Subregional Programme to Combat Desertification in the Aral Sea basin. Decisions of the 2 <sup>nd</sup> session
